Taylor has been about St. Louis occasionally for a long time, and a few years ago was cierk for Chouteau & Barkow. He was also, at one time, Assistant City Engineer, as we are informed. It is also reported, on pretty good authority, that he had been convicted of a fellony in California, and had served a term in the chain gang at San Francisco. A few months ago, he was arrested for an extensive robbery at the City Hotel in this city, but was discharged on account of the man who was robbed not remaining to prosecute. He was so alarmed that he fied the city a few minutes

The funeral ceremonies were begun at It o'clock, A. K., at Christ Church, corner of Ches and and Fifth streets, where the Rey, Mr. Schayler delivered an eloquent and appropriate discourse. The procession then formed and moved towards Bellefontaine Cemetery, led by five carriages. The hearses, numbering ten, tearing the remains of the decessed, succeeded, followed by fifty more carriages and ten omnibuses. After these came the hose carriages the ladder companies steam eagine and hose. Next came the association of U. A. O. Draids, Masons, Good Fellows, Engineers and Pilots, Sons of Temperance. Wyomings, Turners and Butchers. Then followed twenty buggies, containing citizans, which brought up the rear of the procession. The streets were very muddy and sloppy, or the number of pedestrians would undoubtedly have been a great deal larges. As it was, the pageant was immense, requiring all of an hour to pass a given point. The ceremonics at the Cemetery, as we learn, were solems and imposing, and those who witnessed the burial turned away homeward impressed with the said truth that "in the midst of life we are in death."

THE PERSONAL DIFFICULTY SETWEEN

HARNEY AND COLONER SUMMER.—The Washington correspondent of the New York Herald says of this affair, concerning which there has been some noise and confusion:

It appears that a difficulty occurred between Gen. Harney and Col. Summer, growing out of the court martial of the latter gentleman at Fort Leavenworth some time ago. Col. Summer thinking himself insuited by Harney. Shortly after their arrival here Summer addressed a note to Harney saking him to meet him outside of the District. Gen. Harney sent the note to the Secretary of War, and at the same time addressed a note to Col. Summer, stating that he intended to make it an official matter for investigation, and has accordingly preferred charges against Summer. Col. Summer replied to Harney that he could have nothing more to do with a man who would screen himself by his official position. Thus the matter stands. Of course the array officers who are here—and their mane is legion—discuss the affair in all its bearing. Both Harney and Summer have left the city. HARNEY AND COLONER SUMNER.—The Wast

deny this fast, but he recurse to inform the Committee what disposition he made of it. He has stated that he did not bribe any member of Congress with it—but the Committee Insist on knowing to whom he did pay it, in order that they may ascertain, upon some better authori-ty than Mr. Wolcott's assertion, whether it eventually reached any Congressional pocket or not. And it is proposed to kno Mr. W. in jail until he consents to answer the questions

Districtions of Acciditist —We announce with much pain that Mr. Alexander A. Slack, living on the farm of Mr. Hanbury, some two nilles northwest of this city, was kicked by a borse on Thursday evening, of last weak, receiving an injury of which he died in 24 hours after wards. He was leading two horses to water at theilime, when they commenced palying, an one of them sociedentally letked him in it forchead, fructuring his skull. Mr. Slack for singuinges, He was a brother of F. A. Slack of this city, and leaves a wife and three, of dren.—Ollawa Fres Trader.

A Missouri Spungros.—During a late revisional in the Baptist Church at Lagrange, a lad II years old, who had acquired some motoriesy in the town as a theatrical performer, Johan the church and prepared himself for the ministry. He has recently been licensed, and has entered on his clerical duties, and so wonderful are his powers, that the whole community are in ecstacies with his efforts. When he preaches, the church is crowded; persons from all the country round about feek to bear him, and the old veterans declare that they never before listened to such thrilling elequence. The name of the "boy-preacher" is J. B. Faller.

We understand that Rev. John Pierpont, now of Medford, Mass., is contemplating taking up his permanent residence in Peoria. We shall rejoice in common with our fellow citizens, should this rumor become a fixed fact, and it will be a source of pride to number among the inhabitants of our city one so distinguished as a Scholar, Poet and Divine.—Peoria News.

A DEFUNCT WILD CAT.—We learn that the Backing House of Johnson & Remington, at Galva, has suspended. The County Treasurer, who was authorized to receive taxes in paper money, had several thousand dollars deposited in the bank. It seems that wild-cate ing did not nay at Galva.—Bayen Cheart Dom. posited in the bank. It seems that wild-coing did not pay at Galva.—Bureau Chunty De FIRES IN NEW YORK CITY.-From the as
